Patents

Patents 1 - 10 on error concealment video. (0.08 seconds)

Digital video recorder compatible receiver with trick play image enhancement

US Pat. 5377051 - Filed Jan 13, 1993 - Hitachi America, Ltd.

During trick play operation, video codeword data stream output, a priority level 15
It is undesirable for the error concealment circuit signal output, ...

Error concealment apparatus for a compressed video signal processing system

US Pat. 5212549 - Filed Jun 16, 1992 - RCA Thomson Licensing Corporation

Error concealment ... video ...

Apparatus for segmenting encoded video signal for transmission

US Pat. 5168356 - Filed Dec 20, 1991 - General Electric Company

Error fixed word lengths, the code types are monitored to corrected data is then
... in the video data alternative ways depending upon the error concealment ...

Apparatus for recombining prioritized video data

US Pat. 5148272 - Filed Feb 27, 1991 - RCA Thomson Licensing Corporation

In the respective audio, auxiliary and video signal processing paths the error
signal may be utilized in different ways to effect error concealment. ...

Error concealment apparatus for HDTV receivers

US Pat. 5247363 - Filed Mar 2, 1992 - RCA Thomson Licensing Corporation

The decompressor 20 utilizes frames of memory 22 in 30 the optimal type of error
concealment for macroblock store frames of decoded video signal for use in ...

Video signal processing circuit

US Pat. 5142537 - Filed Feb 2, 1990 - Sony Corporation

The video signal processing circuit according to claim 1, wherein said two-dimensional
error concealment means has a plurality of error concealment ...

Error concealment apparatus for MPEG-like video data

US Pat. 5442400 - Filed Apr 29, 1993 - RCA Thomson Licensing Corporation

Error concealment ... video ...

Video recording device compatible transmitter

US Pat. 5805762 - Filed Apr 18, 1994 - Hitachi America, Ltd.

The video decoder module 216 comprises a video decoder circuit 217 and an error
concealment circuit 220 which are both coupled to the inputs of the video ...

An HDTV compression system

US Pat. 5122875 - Filed Feb 27, 1991 - General Electric Company

In the respective audio, auxiliary and video signal processing paths the error
signal may be utilized in different ways to effect error concealment. ...

Temporal-spatial error concealment apparatus and method for video signal processors
